ABOUT US

Tanzania, Africa, is a country at peace, but millions of its citizens live in extreme poverty. Together with our sponsors, Children of Hope and Faith works with the Catholic Dioceses of Rulenge-Ngara and Kayanga in Tanzania to educate needy children and provide support for special projects that help communities thrive. Our organization may be small, but our roots run deep. We are committed to improving the lives of these young people and offering hope for a promising future.

You can help.

Sponsor a child. Support one of our special projects. Pray for Children of Hope and Faith.

We work closely with diocesan administration in Tanzania, so you can be assured that your support directly benefits needy children and communities in the country.

We provide the support children need to be successful at all stages of their education, including pre-school and Kindergarten programs. COHF sponsors more than 80 children in Primary, Secondary, and Post-Secondary schools.

Sponsored children attend Catholic boarding schools, which teach in English. Students receive an excellent education, helping them reach their full potential and improving their opportunities for the future. Children from different tribes and religious backgrounds attend the schools we support.

We also provide funding for Angel Home orphanage, a home for up to 60 children, ranging from infants to secondary school students.
