ABOUT US

Tanzania, Africa, is a country at peace, but **millions of its citizens live in extreme poverty.** Together with our sponsors, Children of Hope and Faith works with the Catholic Dioceses of Rulenge-Ngara and Kayanga in Tanzania to **educate needy children and provide support for special projects that help communities thrive.** Our organization may be small, but our roots run deep. We are committed to improving the lives of these young people and offering hope for a promising future.

COHF was co-founded in 2004 by Rev. Dr. Johndamaseni Zilimu and Jane Walsh. Since its inception, COHF has improved the quality of life for hundreds of Tanzanian children and their communities.

GIVE HOPE TO A CHILD FOR A PROMISING FUTURE.

SPONSOR A CHILD: We support children from preschool and Kindergarten to Primary, Secondary, and Post-Secondary schools. Sponsored children attend Catholic boarding schools, learning English to help them reach their full potential and improve opportunities for the future. Additionally, we provide funding for Angel Home orphanage, a home for up to 60 children, ranging from infants to secondary school students.

SUPPORT ONE OF OUR SPECIAL PROJECTS: We also support healthcare projects in the communities we serve, providing life-saving medicine and medical equipment, and sponsoring nursing and medical students to provide trained healthcare personnel.

PRAY FOR CHILDREN OF HOPE AND FAITH: Ask God how you can best support our mission. If you can't offer a monetary donation at this time, your prayers are another way to support Children of Hope and Faith.

We create leaders in the community

In recent years we have seen our mission come full circle. Previous students have returned to their communities to give back. They serve as priests, nurses, teachers, and health care professionals. Many of our sponsored students have married and are able to provide for their families, thereby breaking the cycles of poverty.
